RBV2800S

Electric Blower Vac with PowerMulching™

- **High airspeed, airflow and mulching ratio at low power consumption**
- **PowerMulching™ blades allowing high impact resistance and high mulching ratio**
- Telescoping tubes with double safety switching for easy storage and transport
- Shoulder strap for added comfort and control
- Livetool indicator™ glows blue when plugged into power supply
- GripZone™ rear handle and adjustable front handle for user comfort

Technical data

Power input	2800 W
Air flow	14 m³/min
Mulching Ratio	15 : 1
Collection bag capacity	45 L
Air speed	320 km/h
Weight	5,5 kg

Standard equipment

• Collection bag, shoulder strap
